THEME: LIGHT OF THE WORLD!

President's Message by Dan Segool

"You are the light of the world! A city set on a hill cannot be hidden." - Matthew 5:14

The opening of our camping season started in a very unique way this year.

About 100 campers and friends gathered at Peniel on April 8 to view the Solar Eclipse. The moment of totality caused great reactions in the group. Children screamed, laughed and ran. Adults gasped - you could hear so many say, "Wow!" I couldn't help but to give thanks to God for the beautiful universe he has created and for allowing us to see this rare glimpse of it.

The Sun is the engine of our solar system. Its gravity allows the planets to orbit around it in an orderly manner. It provides the light and energy we need to survive. Without the sun, the prospect for life would be very dim indeed.

The concept of light and darkness is integral in scripture as well. In Matthew chapter five, Jesus instructs us to let our lights shine! Hide them under a bushel? No! Let it shine! Why? That others may see and glorify God!

Today, it seems like we are surrounded by darkness. Things like dishonesty, abuse, theft, violence and general filth are pervasive. In many ways, it has almost become common, and we are desensitized to it. Our society is apathic about sin.

But, while the darkness many seem powerful, the fact is that even a small light will penetrate the darkness. The other day, I was closing up a shed at night. I shut the garage door, and it was pitch black inside. But, then I turned around and noticed a grilling stick with a glow in the dark handle. The handle is very small, but it was easy to see even from the other side of the room.

Ultimately, God wants the light of our love for him to shine on others for their blessing and benefit, that they might glorify God because of it. How is it even possible for our lives to shine in such a way that God is glorified?

Join us for Peniel 128 as we gather together to learn how we can walk in a path of totality with Jesus and become "The Light of The World!"

CONCERT SERIES featuring *Miles Pike*

Our song evangelist Miles Pike will offer a special concert at Peniel that will meet the challenge of winsomely yet boldly preaching absolute truth in a society that is decidedly anti-truth. "But oh the joy of doing my meagre best, and then watching God reveal truth to the feeble mind, rekindle a fire nearly out, and as Ezekiel said, make a heart of flesh where there had been a heart of stone," Miles says. Miles embraces challenges, including blindness in one eye with tunnel vision in the other, knowing that God will be glorified.

Preaching Evangelists

DAVID DEAN

Rev. David Dean currently serves as the Director of Evangelism for The Churches of Christ in Christian Union (CCCU) and the Growth Pastor at Capital City Church in Columbus, Ohio.

Prior to serving as the Director of Evangelism, David served for 25 years as the Senior Pastor of the Brookside Church. He served as the Director of Church Relations at Ohio Christian University for three years. He also served 11 years as the West Central District Superintendent and Assistant General Superintendent for The CCCU. He has pastored three other churches in Arizona, Georgia and Ohio.

David graduated from Ohio Christian University (formerly Circleville Bible College) in 1970, with a Th.B. degree and from Olivet Nazarene University in 1992, with a Master's degree in Church Management.

In over his 53 years of ministry, he has kindled a passion to see lost people come to Christ and a love for preaching the Word of God.

BILLY HUDDLESTON

In 1998, Billy Huddleston left a three year youth pastorate near Chicago to be a full time evangelist. As he spent time in youth

ministry, he felt the Lord calling him to invest in the church the same way he was most encouraged as Believer. "Anything major that happened in my life," Billy explains, "happened at a revival." Seeing how the Word impacted the direction of his life through revival services cultivated a zeal for others to experience the same. Today, Billy has a passion for seeing revival in the church and travels 48 weeks out of the year to preach the gospel of Jesus Christ to all denominations across the country. In addition to his travels, Billy hosts a radio program, "The Word In You," that airs weekly on stations across the nation.

Billy is known for delivering in-depth messages with an intensity and intelligence that aren't forgotten. Billy's theological insight takes listeners inside the Scriptures to navigate genuine encounters with the living Christ.

THE CAMPBELLS

With OMS, the Campbells not only work with kids, they also train adults and offer ministry support to other leaders who want to engage their kids in missions, too. They do this through providing in-person and virtual programming for kids, leading workshops for leaders, and creating new ways to help kids share the love of Jesus with others.
